- ★ Helped to launch the park's new mobile app with a park wide scavenger hunt
- ★ Initiated the Adopt an Artifact program which enables supporters to help us preserve our priceless artifacts
- ★ Tripled our Governing Board and brought on an array of professionals who will help lead us into the next part of our history
- ★ Recruited a committee of individuals to be part of the centennial committee to help plan events for the 2016 National Park Service Centennial
- ★ Increased the activities offered to our Young Friends and increased our Young Friends membership
