For Friends' Members and Volunteers in the Park

Join Independence National Historical Park and the Friends of Independence for our 44th Annual Meeting and Volunteer Appreciation event.

This year we are celebrating the First Bank of the United States! Our guest speaker for the evening will be Mr. Alexander Hamilton, portrayed by Eben Kuhns of American Historical Theatre.

Confidante and Chief of Staff to George Washington, astute lawyer, co-author of the Federalist Papers and first Secretary of the Treasury; Alexander Hamilton was a self-made man.

Eben Kuhns is a Graduate of Virginia Commonwealth University in Richmond, Va. When not portraying Alexander Hamilton, he may be found at George Washington's Mount Vernon Estate portraying George Washington "Washy" Parke Custis and John Anderson, Distillery Manager.

The evening will start off with a cocktail reception in Franklin Court followed by a presentation. We do hope you will join us and discuss your thoughts on the First Bank with Mr. Hamilton.
